Future AGM
The BHS had been consulted by AK. AK would like an AGM every 2 to 3 years with an annual report.
Views were asked for.
Members said that more publicity needed. More posters put out. Possibly send posters to members by e-mail for them to distribute. We should spend money on communication.
J.J. asked how we could involve members. Newsletter twice a year proposed.
Pleasure ride suggested. Possible venue Treborough. We need publicity at these events.
Margaret Baron had run le Trec events. M.B. suggested and informal le Trec event.
General feeling that we should have an annual AGM. J.J. suggested biannual AGM with informal annual meeting.

AOB
JJ asked for clarification on the cut of date for ROW Lost Ways 2026
DCC are good, SCC not
Lost Ways 2026 England and Wales. Claim for ROW using historical evidence. Old maps eg tithe, finance and estate maps.
Good book by Phil Wabey? And Sarah Bucks.
Can claim through user evidence as well as historical evidence
Possible course on claiming ROW, possibly joining with other societies.
